

Visit Kenya with the Social Work/Health Sciences Program!

Experience the culture and analyze health systems and impact on health care. Visit mental health systems, traditional healers, community health programs and examine community models for elder care.

July 11th – 24th, 2011 (approximately \$5,500/person)

UNIVERSITY OF WYOMING

- ◆ Travel to Kenya with the University of Wyoming in collaboration with UW Casper College Center.
- ◆ Earn graduate elective credits or enroll as a noncredit participant.
